## BREEAM<sup>®</sup>

On 10 February 2022 Eurofins Product Testing A/S received a sample of a building board with the product name:

**RIGIPS RB13**

supplied by

**SAINT GOBAIN HELLAS AVEE**

The sample was supplied as being representative of the manufactured product, and it has been tested as in accordance with the relevant EN 16516, ISO 16000-3, ISO 16000-6, ISO 16000-9, ISO 16000-11 testing standards (See test report no. 392-2022-00066301\_A\_EN).

**The test results of the tested sample indicate that the product qualifies for the below mentioned BREEAM specifications on VOC emissions by complying with:**

- **BREEAM<sup>®</sup> International: Compliance with Exemplary criteria on VOC emission** of BREEAM International: New Construction 2021, Technical Manual – SD250: Hea 02 Indoor Air Quality (version 6.0. of December 2021).
